

# 5G Google phones

Help when and where you need it.

Pixel helps your employees manage many tasks at hand. And with the best of Google's technology, software, and innovation, it gets even better over time.

## The best of Google with the latest Android OS + Pixel

Give your employees the software they need to work efficiently.

## Google Assistant

All the help you need, fast. Control your phone and apps, send texts, and multitask on the go.<sup>1</sup>

## All-day battery

Pixel's Adaptive Battery preserves power for the apps and services you use most.<sup>2</sup>

## High productivity

Pixel has Gmail, Docs, Duo, and Meet integrated right in, and can support third party apps.

## Call Screen

Screen unknown callers and robocalls before your phone ever rings.<sup>3</sup>

## Feel a little closer with fast 5G<sup>4</sup>

Pixel helps you stay connected with colleagues with a camera that features Google Duo HD screen sharing.<sup>5</sup>

<sup>1</sup> English only. See [g.co/pixelassistant/languages](https://g.co/pixelassistant/languages) for country and language availability and Google Account requirements.

<sup>2</sup> Pixel 4a: Approximate battery life based on a mix of talk, data, standby, and use of other features, with always on display off. An active display and other usage factors will decrease battery life. Pixel 4a battery testing conducted in Mountain View, California in early 2020 on pre-production hardware and software. Actual results may vary.

Pixel 4 and Pixel 4 XL: Approximate battery life based on a mix of talk, data, standby, mobile hot spot and use of other features, with Motion Sense off and always on display off. Use of Motion Sense, an active display or data usage will decrease battery life. Pixel 4 and Pixel 4 XL testing conducted in Mountain View, California in August 2019 on pre-production hardware and software. Actual results may vary.

<sup>3</sup> US only, English only. Call Screen may not detect all robocalls or spam calls.

<sup>4</sup> Requires a 5G data plan (sold separately). 5G service and roaming not available on all carrier networks or in all areas. Contact carrier for details. 5G service, speed and performance depend on many factors including, but not limited to, carrier network capabilities, device configuration and capabilities, network traffic, location, signal strength and signal obstruction. Actual results may vary. Some features not available in all areas. Data rates may apply. See [g.co/pixel/networkinfo](https://g.co/pixel/networkinfo) for info.

<sup>5</sup> Screen sharing not available on group calls. Requires Wi-Fi or 5G internet connection. Not available on all apps and content. Data rates may apply. 5G service, speed and performance depend on many factors including, but not limited to, carrier network capabilities, device configuration and capabilities, network traffic, location, signal strength, and signal obstruction.
